	The D	ad Walf Company					

For use on all washable surfaces. Formulated to remove alkali residue or salts from all types of floors, ceramic tile, walls, aluminum, chrome, stainless steel, Formica surfaces and carpet.

**Freezer Clean** 

3.78 L \$38.50

Freezer Kleen is excellent for cleaning or de-icing floors in walk-in freezers and out-door walkways. Effective to -35°F. It is a non-flammable, grout and tile cleaner and can be used on any hard floor surface. Will emulsify, lift and suspend grease and dirt and will help reduce slip and falls. Apply to sidewalk or walkway before freezing rain or snow to prevent icing of sidewalk

	Black Mark Remover 725		3.78 L	19.99	
--	------------------------	--	--------	-------	--

Black Mark Remover is ready-to-use (RTU) and formulated without harmful chemicals, non-irritating and ideal on virtually any surface to remove unsightly tough to remove marks and stains on aluminum, wood, metal, masonry, hard plastic, bed sheets and even carpet. Great for removing black marks caused by rubber tires, black tape, scuff marks etc. on walls, floors, doorways. Renews stainless steel elevator doors and kick plates.

Acid Replacement Technology	3.78L	\$67.50	
Is the Best 100% Canadian made Acid Repl	acement produ	uct on the market today. A.	R.T is a unique
replacement for harsh acids such as Hydro	fluoric Acid use	ed for cleaning sensitive	

materials like aluminum tankers, car and truck rims and checkerboard aluminum that can etch easily and eventually corrode.

## Solvent Borne Interlocking Brick and Stamped Concrete Sealer

#### crete Sealer Wholesale Retail or Installed Contact for pricing

Our (Wet Look) Interlocking Brick Sealer is specifically designed to not only seal and protect against staining and dulling but to add slip resistant properties to the treated surface

Our Interlocking Brick Sealer is a single component, solvent based sealer It is the top of the line choice for interlocking brick.

This clear sealer is easy to use. It has low V.O.C. (Volatile Organic Compounds) with excellent adhesion, hot tire resistance properties, fast dry as well as UV protection and is an excellent choice for inter-locking brick driveways, walkways, and pool areas.

Our Interlocking Brick Sealer is virtually water and chemical resistant against chloride salts, inorganic and organic acids; motor oil, gasoline, brake and transmission fluids; it is extremely durable and lasts for years

## VOC Compliant Stamped Concrete Sealer is the contractor's choice in high performance, long lasting, stamped concrete sealers, to provide superior satisfaction for their customers time and time again.

DCG Vision Marketing has developed a VOC Compliant Stamped Concrete Sealer that outperforms virtually any other Stamped Concrete sealer on the market today.

VOC Compliant Stamped Concrete Sealer is a premium high quality, single component, solvent borne acrylic sealer, specifically designed to be used as a high performance solution when requiring a clear masonry sealer. VOC Compliant Stamped Concrete Sealer has outstanding penetration properties required for highly dense concrete and features a "WET LOOK" appearance that provides maximum protection on new or existing substrates such as concrete, stamped concrete, pool surrounds, garages, warehouses and aggregate.

#### Zero VOC Solvent Borne Sealer features:

- Excellent Hot Tire Resistance
- Very Fast Dry & Early Water Resistance (2 hours for full cure)
- Non-Staining "WET LOOK" appearance
- Excellent chemical resistance to chloride salts, inorganic and organic acids
- Prevents mildew and fungi growth
- Breathable
- Excellent UV Resistant/ Non-Yellowing
- Prevents cracking and spalling of surface
- Prevents Efflorescence
- Easy application via spray
- High Wet & Dry wear resistance, lasts for up to 3-4 years
- Re-coatable and will restore surface back to its original luster

# Safety Floor Treatments

A long lasting chemical treatment to make hard mineral floors non slip when wet. Our products are designed for the following area Ceramic, Quarry Porcelain Tile, Marble, Slate, Terrazzo, Glazed Brick and Concrete, Porcelain and Enamel Bathtubs

We provide a superior, highly remarkable Slip Resistant Floor Safety Treatment, in addition to creating a clean and safe environment in which to work shop and eat in

Our products are ideal for Commercial Kitchens, Shopping Malls, Warehouses, Restrooms, Pool Decks, Tiled Entrance ways and many, many more

No more slippery when wet! Will not peel chip or crack Works Indoors/Outdoors Limited down time We apply in your off hours Limit liabilities and WSIB claims Eliminate mat rentals
